

# THE IMPACT OF POOR TEACHER-STUDENT COMMUNICATION ON ACADEMIC PERFORMANCE

## What is poor teacher-student communication?

Poor communication happens when instructions are unclear, feedback is delayed or negative, and students feel uncomfortable asking questions.

## Signs a student is affected

- ✓ avoids recitation
- ✓ doesn't ask questions
- ✓ becomes quiet or absent
- ✓ submits late or incomplete assignments

## Impact Areas

- ✓ low participation
- ✓ poor attendance
- ✓ classroom anxiety
- ✓ less effort

## What Teachers Can Do

- Give clear step-by-step instructions
- Use examples or demos
- Encourage questions without judgement
- Provide feedback early
- Ask check-up questions

## What Students Can Do

- Ask clarifications early
- Message politely if unsure
- Repeat instructions in own words
- Form a study group support
- Ask follow up questions
